Informed Consent to Treatment

I voluntarily consent to acupuncture including other traditional treatment methods (see point 1 below) and understand that I may withdraw my consent and halt my participation at any time.

1. I understand that acupuncture sessions include a complete intake of my health history and the use of sterile single-use needles to penetrate the skin. Additional treatment methods can include, but are not limited to: acupressure, the electrical stimulation of needles, cupping, moxibustion, gua sha, nutritional advice, and tuina. Before any of these procedures are performed, my acupuncturist will discuss treatment options and only proceed if my consent is given.
2. As with any procedure there are risks and symptoms of treatment which can include, but are not limited to: slight pain, light-headedness or nausea, soreness, bruising, bleeding or discolouration of the skin, and the possibility of other unforeseen risks. I freely accept the risks involved.
3. I will inform my acupuncturist if I: currently have or develop any major health issues, had any major surgeries or medical procedures, suffer from any type of major bleeding disorder, use a pacemaker, am pregnant, or think I could be pregnant.
4. I understand that I must let my acupuncturist know if I am carrying, or believe to have any infectious agents, including but not limited to HIV, TB and Hepatitis. In some cases where cross-infection is high, my practitioner may withhold treatment.
5. I understand that there are no guarantees for the results of treatments and that acupuncture including other traditional treatment methods listed in point 1 above do not often provide an instant cure. The length of my treatment depends on the severity of my condition. In some cases, my symptoms may temporarily worsen before they improve.
6. I am responsible for the full and prompt payment after services have been rendered.
7. I understand that I am expected to inform the clinic at least 24 hours prior to my appointment if I need to cancel. Otherwise, I will be charged the full fee for my missed or late cancelled appointment.
8. I acknowledge that I have the right to ask any questions or refuse treatment. By signing this form, I give my informed consent to treatment by acupuncture and other traditional treatment methods listed in point 1 above.
